Winters Racing hits two milestones in one weekend! For the first time since joining the AHDRA fulltime in 2006, Kevin went all the way to the semi-finals in the highly competitive SEP Screamin' Eagle Performance class with a money win **AND** took the #1 qualifying seat for the weekend in the 10.90 SE Super Eliminator class with a near perfect 10.904 run! The unbeatable qualifying run, only 4 thousands away from perfection, awarded Kevin with the honor of walking out with all the other class top qualifiers during opening ceremonies on Sunday. In all, Kevin qualified strong for Sunday's show in all three of his classes including ET, SEP and SE, took home some money and the bragging rights of being the weekend's #1 Super Eliminator qualifier. Huge thanks to our sponsors for their support including the new FiberWise pit awning which seems to be our new good luck charm. The next AHDRA is only a week away in Norwalk, OH on June 9th and 10th and we are already planning for more success then. Watch for more updates as they happen!
