ANOTHER WIN FOR WINTERS RACING

WINTERS RACING TAKES 1st PLACE IN PRO MOD CLASS, DOC'S LEGAL COUNTRY DRAGS.

Coming off his first ever AHDRA win last month in Norwalk, OH, Winters Racing just finished the weekend in Kaukauna, Wisconsin at the Doc's Harley Davidson Legal Country Drags annual drag racing event. After a long afternoon of qualifying and elimination rounds, Kevin kept consistency on his numbers and proved to be too tough to beat in Pro Mod class where he took 1st place amongst a large field of drivers. Kevin said after the race, "It was great to get another win this year, the track was excellent and the weather was perfect." Click this link to see the latest short movie taken from this weekend's events.

We want to thank everyone at Doc's Harley Davidson and the track staff at the Wisconsin International Raceway for putting on this event and we are also happy to report that all proceeds from this race go to local charities. We now prepare for the next AHDRA event which is the Thunder in the Valley Nationals in Bristol, TN on August 11th & 12th.

Thanks for your support, see you at the strip.
