

WINTERS GETS 2ND SEP CHAMPIONSHIP

After a tremendously successful 2010 AHDR A season with a personal best ever, six event wins in his various three classes, Kevin Winters of Winters Racing has earned his second AHDR A National Championship in the SEP Screamin' Eagle Performance 11.50 index class. It was the usual battle for points during the year but with an incredible total of four SEP wins during 2010 in Orlando, Bella Rose, Numidia and Kansas City, and two runner ups, the #1 SEP Plate for Winters Racing was undeniable almost from the start of the season. In the end, Kevin took the SEP Class Championship over fellow competitor and teammate Donnie Huffman by an impressive 124 points lead. As well as winning the National Championship in SEP Screamin' Eagle Performance, Kevin also finished third best in ET and third best in SE classes. Winters Racing would like to thank all our 2010 sponsors including BuellWerks, Energy One Clutches, FS Enterprises, Huffman Racing, McHenry Harley Davidson, ML Financing, RK Chain and Wiseco Pistons. We also want to thank all of our event contingency sponsors for their continued support. Kevin would personally like to thank his wife Betty, Donnie Huffman, Bob Drapp and Brian Buell. We look forward to the 2011 season and the opportunity for Kevin to defend his #1 SEP plate. www.winters-racing.com
