

**AHDRA
Las Vegas Nationals
Las Vegas, NV
November 12th 2006**

Winters Racing ended the 2006 AHDRA race season in Las Vegas last weekend with a top 20 finish in both the classes we run in. Kevin finished his first year in the AHDRA in a solid 13th place in both SEP Screamin' Eagle Performance and ET Elapsed Time class amongst hundreds of other national drivers. We are quite happy with our finish considering this was our first year with a drag bike that is minus many of the race accessories the competition has, yet we found ways to win and stay consistent enough to stay in the top 20.
