WINTERS RACING KEEPS STEADY WITH THE POINTS RACE AT ROCKINGHAM

The AHDRA Screamin' Eagle Performance Parts Nationals

A successful weekend for Kevin at "The Rock" resulted in a #1 Qualifying Spot in the SEP Screamin' Eagle Performance Class and a quarter finals finish in SE Super Eliminator Class. Amongst a large group of national drivers, Kevin nailed the #1 Qualifying Position for the 11.50 SEP Class on Saturday with a near perfect 11.507 run. That translates to extra points awarded and the honor of standing on the line during opening ceremonies on Sunday. This was the second #1 qualifying spot Kevin has taken in the 2007 season. A first round loss in the SEP class ended Kevin's run which makes one wonder if taking the #1 qualifying spot is a jinx of some sort? However during the SE Class eliminations, Kevin hung in until the quarter finals when he went red against Curtis Talbott which ended the weekend.

Kevin remains solidly in a top 10 position for three classes in the AHDRA which is quite an accomplishment and is our goal to finish the season in. The final two AHDRA November events take place in Pomona, CA and Las Vegas, NV. Kevin hopes to keep his momentum going and finish the year off strong.

To date, Kevin's AHDRA highlights for 2007 include

First Place SE Class- S&S Cycle Jim McClure Nationals Richmond, VA
